SolveIT Software Sponsors the 8th Annual Australian CIO Summit

ADELAIDE, SOUTH AUSTRALIA 4 July 2009 – SolveIT Software Pty Ltd, a leading provider of enterprise software solutions for supply & demand optimisation and predictive modelling, announced today that it will be a cosponsor of the 8th Annual Australia CIO Summit held on the Gold Coast from July 27 – 29th 2009 at RACV Royal Pines Resort.

The Annual Australian CIO Summit 2009 attracts the most senior IT executives from leading Australian companies will meet to discuss the optimal ways to meet growing business demand for IT services and operate efficiently under increasingly tight resource constraints. The profession's current challenges and opportunities are highlighted through visionary keynote presentations and case studies delivered by CIOs and thought leaders in the IT community. For more information about the 8th Annual Australian CIO Summit, please visit: www.australianciosummit.com

The Australian CIO Summit is organised by marcus evans, one of the world's leading business information companies. Established in 1983, marcus evans' international network of offices produces events on strategic issues in telecommunications, corporate finance, capital markets, human resources, corporate IT, technology, marketing, manufacturing, logistics, energy, utilities and business strategy. Every year marcus evans produces more than 150 of the world's leading business and economic summits for senior decision-makers. Held at exclusive locations around the world, these events provide attendees with a unique opportunity to individually tailor their schedules of keynote presentations, think tanks, seminars and one-on-one business meetings to provide an effective, highly focused interactive event.
