## **SolveIT Software CEO to Speak at VC Connect in Adelaide**

ADELAIDE, SOUTH AUSTRALIA, 8 September, 2005 – SolveIT Software Pty Ltd, a leading provider of enterprise software for supply & demand optimisation and predictive modelling, announced today that the company's Chief Executive Officer, Matthew Michalewicz, will be a speaker at the VC Connect Conference held on the 19<sup>th</sup> of October in Adelaide, South Australia.

VC Connect will provide a wealth of information and resources for ICT companies who are currently seeking funds or considering doing so in the future. Hosted by Australia's leading ICT venture capital companies, VC Connect will enable attendees to gain an understanding of the how's and why's of venture capital.

To provide attendees with a complete understanding of the investment process, the event will feature sessions that discuss the expectations of venture capitalists, funding strategies, term sheets, and building teams and capabilities. Attendees will be able to meet investors, learn how to evaluate the right venture capital firm to meet their needs, and win the investment backing they require. Leading entrepreneurs provide inspiration on how to grow businesses and what is involved when you seek capital.

Matthew Michalewicz will be a speaker in the "Closing the Deal" session, which discusses the process of closing a venture capital investment. The session will outline the required documentation and due diligence, discuss managing co-investors, and provide advice on how to approach negotiations with an investor.
